WORLD CONGRESS

April 12-15, 2018 | Trinidad and Tobago, Port of Spain

International Society of Radiographers and Radiological Technologists

World Congress

From 12th to 15th April we were represented for the first time at the ISRRT 2018 Congress.

International visitors and customers were shown the new possibilities how everyday life in hospitals or practices will revolutionize - thanks to our advanced products. Optimal solutions for a comfortable workflow via cloud for patient care were presented and successfully presented.
